ZOMETOOL RULES:

- 1** If it works, it works perfectly.

- 2** Don't break it apart; take it apart!

- 3** Don't crush models.

OUR MISSION:

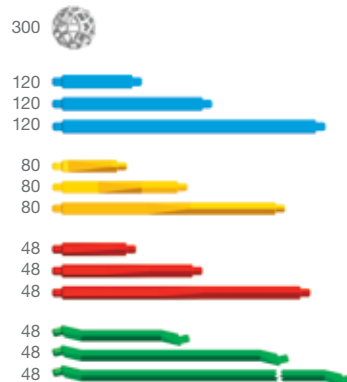

- Make learning fun.
- Create value.
- Build a better world.

Whether you want to ask better questions or learn better answers, Zometool is your ticket to discovery and fun. From numeracy to nanotechnology, quasicrystals to quantum mechanics, the destination is always the same: understanding our amazing universe.
